

ADVIZOR Solutions® Secures Funding and Expands its Team

CHICAGO, IL – May 30, 2006

ADVIZOR, a game changing provider of powerful and easy to use business intelligence software solutions, today announced the that it has raised a significant amount of outside funding from First Trust Portfolios, and has hired a Vice President of Sales.

ADVIZOR has been revolutionizing the way business people understand and interact with their business information. Founded in 2003 as a spin-off from Bell Labs, ADVIZOR provides a family of software products that enable business people to understand and analyze information without relying on others to prepare or interpret the results. ADVIZOR's unique solution for displaying and analyzing information empowers organizations to make efficient and effective decisions. ADVIZOR extends other business intelligence systems, such as Oracle, Microsoft, Business Objects, and Teradata.

First Trust Portfolios is a strategic partner of ADVIZOR who levers its unique capabilities to create competitive advantage. "ADVIZOR allows us to distribute detailed trading information to our customers in a format which can easily be understood and interacted with," said Jim Bowen, CEO of First Trust Portfolios. "ADVIZOR lets us deliver this information from our customer portal over the internet, and our customers can slice and dice the information on the fly to answer their questions. Providing growth funding for ADVIZOR fit right in with our strategy".

Upon securing the funding, ADVIZOR hired Donn Heffner as Vice President of Sales. Donn, a 20 year veteran of building technology sales teams, is responsible for expanding ADVIZOR's partner base and revenues. Donn brings a substantial relevant experience to ADVIZOR. He most recently led Nortel's central region commercial channel sales team where he established their partner programs and was responsible for mid 9 figure revenue. Prior to that he had numerous direct and channel sales roles in Bay Networks, Synoptics, and Nortel.

"All the market indicators point in our favor," said Doug Cogswell, President and CEO of ADVIZOR Solutions. "We are very excited to now have the resources and team to drive our world-class and award winning products strongly into the market".

About ADVIZOR Solutions® , Inc.

ADVIZOR Visual Discovery™ software enables people to make better and faster fact-based decisions from their business data. The result is improved performance, quicker response and lower costs. Built on patented visualization software from Bell Labs and best-of-breed predictive analytics from KXEN, ADVIZOR is world-class in empowering people to display, analyze, and share their business information.
