PRESS RELEASE

CSO Announces the 2015 CSO50 Award Honorees Recognizing Innovative Use of Security in Driving Business Value

Framingham, Mass. – IDG's CSO—the premier security media brand providing insight into business risk leadership—announces the honorees of the 2015 CSO50 Award. Each year, this award program recognizes 50 security projects and initiatives that have delivered groundbreaking business value through the innovative application of risk and security concepts and technologies. Honorees will be recognized during a ceremony and awards dinner at the CSO50 Security Confab + Awards Conference, being held February 23-25, 2015, at Omni Amelia Island Plantation Resort, Amelia Island, Florida.

- USAA
- United States Postal Service
- Viewpost
- Voya Financial (receiving awards for two projects)
- Warner Bros. Entertainment, Inc.
- World Institute for Nuclear Security (WINS)
- Xerox Corporation
- Zurich Insurance Group
